Subject: 09/820,007 sequence search

Sequence search-after final

App. #: 09/820,007

Result format: Paper.

Title: Isolated human transporter protein ...

Please search:

SEQ ID NO: 1 and 2 which are short sequences. Search SEQ ID NO:3 for nucleotides (1-2000), (50,001-52,000), (100,001-102,000), (200,001-202,000), and (300,001-302,000). → not done - only 213,456 residues

Search commercial and interference databases.

Thanks,

Mike Pak
